Afterschool Team

Ediel Butts

Ediel is a coach and mentor for more than 200 elementary school programs and sites in urban and rural areas. She has developed 128 exciting and engaging learning games linked to state standards and curricula and designed numerous multicultural enrichment components. Ediel is an expert in program start-up and frequent workshop presenter. She is a former afterschool Program Leader, Site Director and Regional Area Director for a nationally recognized afterschool program. She has nine years of experience in building exemplary afterschool programs. Ediel earned a Bachelor of Arts degree in Psychology from St. Paul's College in the Phillipines.
